

# THANK YOU!

You raised **\$11,600** this year!

Thank you, Falcons, for all your hard work and making this a successful year! This money will be put towards enriching our school environment for the students. School Council is still reviewing our greatest areas of need and will communicate where the money will be spent once decided.

Below we have listed all of the companies that were able to donate to our event this year. Again, thank you to all our families for making our Dance-a-thon fundraiser a great success and for helping to enrich our students learning experience at Our Lady of Falcons.
