

# Opening Day Procedures!

Welcome back to all! Our first school day is on Tuesday, September 3<sup>rd</sup>. We will be following the same first day procedures as has been our practice in past years.

## **First Day Procedures:**

- 8:35 – Yard supervision begins. Staff will be on the blacktop to welcome students.
- 8:50 – At the bell, teachers will stand in specific spots with a 'placard' displaying their grade. Students are to gather at their grade area. Teachers will then call out class list. Students will then follow their teachers into their classrooms. Parents and guardians bid farewell to their child/children as they will not be entering the building.
- 9:10 – O' Canada, prayer and welcome over the PA system.

**IN CASE OF RAIN**, students will be allowed into the gym and sit in rows by grade as indicated on the signage on the walls. (very similar to our Umbrella Project assemblies seating plan)

- 9:00 – Prayer and welcome in the gym.
- 9:10 – Teachers are called to the front area of the gym. Starting with the primary grades, teachers call out their class lists and proceed to their classrooms with the students.

We thank parents and guardians for their help in ensuring that procedures run smoothly and look forward to seeing all our students next Tuesday!
